

A2 - Bug #108

Fox Traps over POINTER TO RECORD method signatures

03 January 2021 22:38 - Anton Dmitriev

Status: New	
Priority: Normal	
Assignee:	
Category:	
Target version:	
Description TYPE P = POINTER TO PDesc; PDesc = RECORD ... END; PROCEDURE (p: P) Proc*; (* offending signature *) BEGIN END Proc;	

History

#1 - 04 April 2021 11:59 - Serge Durmanov

Reproduced from revision #9561 --Added support for final records which cannot be extended but thus don't require a type tag to be passed around on the stack
